“ *Dear Jim and Carol: My heart aches for you and your family for to lose a mother is, indeed, a difficult cross to bear. I recall your beautiful mom being the gorgeous woman who just happened to find her way with your beloved father to Siskiyou County. Trust me, the women were all "aflutter" as your mom was beyond gorgeous, gracious and walked with a dignity that few have. Our love and prayers are being sent to you. Beth Russell Moody and Lee R. “ On the list of Names of Great People, Jane's name will be right there with others including her mother and father. All truly Great People and I miss them a lot. Jane was always kind, generous and positive with me. I treasured and still treasure her friendship to me and my boys, and of course to her brother Morrie.

She now will be with the great love of her life and her family. You. Carol and Jimmy, were lucky to have her and Eddie for parents and the rest of us lucky to have her friendship. Truly a great and good person. I personally share your loss.

Love to you,

Dorris
