“ I remember being in your class and I was really shy!! You brought me out of my shyness shell. You were the most sweet lady I've ever known. Giving me rides home after summer school swimming, was awesome to spend time with you during those rides. You're always going to be in my heart forever!!

“ Jeanette, I remember you and your wise counsel to me as a young mother and wife. I have often thought of you through the years. You are now in the presence of our Lord. I too will pass under the veil one day and I will then see you once again.
