March 4, 1970 - July 21, 2012

Jeannette Marie Lopez, known to many as “Nettie,” passed away suddenly at Mercy Medical Center in Redding, California on July 21, 2012.

Nettie was born prematurely to Richard and Margie Lopez in Hayward, California. She weighed just over 3lbs fitting in a shoe box to make her journey home. She was raised with her two sisters, JoAnn “Joey” and Janice. For majority of her life, Nettie was a caregiver to many but her main focus was that of her son Richard. He had major health issues and Nettie cared for him unconditionally. Sadly, Richard Charles passed away on November 26, 2006 from those health complications. Over the past few years, she has also been caring for her mom. She had a reputation as “the angel on earth” and was willing to give all that she had to those she loved.

Nettie and Charles “Chuck” Chamberlain had been a couple since 1989 but at the request of their son, Richard, the two were married Easter of 2005 in Corning, California. Chuck, Richard, and Margie weren’t the only people Nettie cared about, she has a 9 year old son named Daniel Michael August whom she loved very much.

Her favorite past time was crafting as she enjoyed making various gifts for people. She spent hours attending to her animals and various critters. She loved turtles, lizard’s, dogs, cats and just animals in general. Nettie is preceded in death by her son Richard. Sadly, Nettie’s mom, Margie passed away just a few days after she did.

She leaves behind her husband and son, Chuck and Daniel of Corning; her

sisters and brother-in-laws, JoAnn "Joey" and Kevin DeNoma of Fortuna and Janice and Tim Stoller also of Fortuna; along with many nieces and nephews. "Nettie, you were the best Aunt, Sister, Daughter, Friend! We will miss you." A memorial service will be held at a later date amongst family and friends.
