

## Jenifer Leone Aue

December 30, 1975 - June 17, 2018

Jenifer Leone Aue was born on December 30, 1975 and passed away in her sleep on Sunday, June 17, 2018. Jeni was born in Sacramento, but spent most of her school years in Yreka.

Jeni adored her daughter, all babies, and all animals. She loved her four pit bulls, four cats, and her guinea pig. If you have room in your heart and home for any of them, we are looking to re-home them.

She leaves behind her beloved daughter, Arian Leone Aue-Marshall (Kyle), from Yreka; her much loved companion, Chris Harris; her father William Aue (Natalie), from Reno, NV; her mother Lynna Antil (Dave Orr), from Yreka; her grandparents, Max and Nelma (Jo) Schoellerman of Yreka; and numerous aunts, uncles and cousins. Jeni was preceded in death by her brother, Daryl Schoellerman, and her uncle Max Schoellerman, Jr.

There will be no formal services. Later in the summer a celebration will be held and friends will be notified by media. If you would care to make a donation in Jeni's memory, please send them to Purr Angels, where Jeni volunteered weekly: PO Box 672, Yreka, CA 96097.

“ Hello, I am her neighbor and only spoke to her a handful of times but she seemed like a kind woman. The day before her passing, one of her pit bulls broke into our backyard and attacked my blue heeler. We were out of town when this occurred and came home to a letter taped to our door explaining what had happened and left a number to call so I could let her know if my dog was okay, which I thought was very kind of her. Upon returning home and checking out my pup who was badly chewed up, I tried to call the number but no answer. I went next door and her partner Chris informed me of her passing away that morning. As unfortunate as that is, I would like any possible adoptees of these dogs to be warned that they DO NOT get along with other dogs. This was the 2nd time they had broke into our yard and have again once more since her passing. I've spent over \$200 in vet bills and my dog is still not fully healed from the attack yet. I know Jeni loved these dogs, and she took care of them very well. They deserve good homes, just be warned that they have records of being vicious. I'm sorry for the family's loss and hope only the best in rehoming her animals.

“ *Lynna and Arian, I'm so deeply sorry for your loss. I still can't believe she's really gone. I loved her so much. I miss her so much already. I want you both to know that I'm here for you if you need to talk. Please let me know if you need anything at all. I love you both.*

*Although we did not know Jenifer she had to have been a loving, kind and caring young woman as to have Schollerman roots said all as to who she was. Lee and I send prayers, love and support to Jenifer's family, friends and, specifically, her daughter.Arian.*
