“ My deepest sympathies and prayers are with the loved ones Jennie left behind. May God Ease your broken hearts for he knows how you are all suffering now. My memories of Jennie are all so wonderful. We had vacations together, holidays together, and summers together. She taught me swimming techniques that I still do today. Our families spent a lot of time together when she and I were growing up and she was a great friend to me. She always shared her toys, she was sweet and game to do anything- from playing house, sliding down rocks or just watching cartoons, we always had lots of fun, me, Brian, Jennie and Sean. I will never forget you my dear and beautiful friend with the radiant smile. Sincerely, Lisa Kelly
