

Jerry "Dobby" Dobson

December 29, 1940 - July 2, 2021

On July 2, 2021, Jerry Dobson utilized his personal key to enter the Pearly Gates. Jerry fought a long, hard battle of heart disease, surprising doctors with his stamina. Peacefully, in the early morning hours, with his wife and pets by his side, he passed away.

Jerry and his wife, Sandy, started Dobby's Lockshop in Yreka in 1976, and serviced Siskiyou County for over forty years. He loved people, and referred to all as buddies and friends. He volunteered at the South Yreka Fire Department, and was a lifetime member of the Elks. His cooking skills made him a favorite at the Chuck Wagon, barbeques and celebrations.

Jerry's wife, Sandy, passed away in 2005, leaving him lost and alone. He got a second chance at love when he married Bonnie in 2007. They became soulmates, best friends, and were very much in love. Jerry gained an instant family in Troy, Travis and Eileen, grandchildren and great grandchildren. Hunting, fishing, camping and boating became family favorites. They all referred lovingly to Jerry as their Pop. Jerry loved his cuz Suzanne Marr and her son, Alex. He always looked forward to their visits or phone calls.

Jerry leaves behind so many broken hearts of friends and family. His humor made the world a better place. As his sister-in-law, Judy said, "He is bigger than life."

Many heartfelt thanks to the South Yreka Fire Department, Madrone Hospice, Fairchild Medical Center, the V.A., Doctor Kolpacoff and Girdner Funeral Chapel.

For my husband: "Beauty is found everywhere, but most of all in your love. You are my love, my life and my friend forever."

Per Jerry's wishes, there will be no services.

Tribute Wall
