“ *All these folk, cut her biological kids out, I am her double, I wasn't allowed there, I didn't show because of that! I'm her double, don't pass out because seen her twice, I look like her, but I'm not I'm me, her older daughter.*

“ Q: *What was Joanne really good at?*

*A: My grandma was really good at crocheting. When I was 13 years old I asked if she could teach me and she did. Funny thing is, I am left handed. Crocheting is the on thing I can do with my right hand. She had me sit on the floor in front of her while she trained my right hand the motions. I can't crochet with my left hand. I love you grandma!*

“ Loved playing bingo with Joanne in Yreka, Gazelle, Greenview and White City. I was blessed to have purple crouched dollies. I treasured our visits of prayer and encouragement when she was at Asante this spring. Her love hugs and smile will definitely be missed I am recovering from surgery so I am unable to make the trip for her memorial. Love hugs to all as you celebrate her life of kindness to others. Praying God's comfort for all. This is my favorite photo. Until we meet again my friend.

“*Joanne was one of the kindest and most caring person I have known, but she could also be very feisty. I met her in TOPs when I joined years ago. In the days of Barbara Cherry, Marie Kellogg , and Joanne. They are all gone now but will never be forgotten. Thank you Joanne for all the you did to keep our TOPs club going for so many years, saddened to say, it too, has passed. Bless your family for all the wonderful care they gave you. Susan S.*
