

Jodi Lee Burch

October 9, 1970 - July 20, 2020

It is with great sadness we announce the departure of the dear Jodi Lee (Greive) Burch.

The loving mother of 4, a devoted Red Sox fan and hater of all things strawberry, passed away unexpectedly on July 20th, 2020 at the age of 49.

A long-time Siskiyou county resident, Jodi was active in youth sports with all of her children, fought for water rights with the county Farm Bureau, and designed many beautiful homes as an architectural designer.

She is survived by her four children: Danci Harris(Jesse), Justin, Cody, and Jessica; four grandchildren: Kaitlyn, Emma, Carson and Sawyer; her parents Bill and Janie Greive; and by her beloved fur babies: Charlie, Olive and Skit.

There will be no services at this time. Instead, Jodi would wish us to spend time doing something we love. In lieu of flowers, the family prefers donations to be made in Jodi's honor to Operation Homefront or Yreka Little League.

They walk beside us everyday,
Unseen, unheard, but always near,
Still loved, still missed and very dear.*

“ My husband and I are in shock to hear this news!! I connected again with Jodi last year after having been great friends back in the days when we lived in Lake Shastina from 1996- 1999.

We enjoyed hanging out with the family when our kids played together....back then, there was just Danci and Justin.

More recently we were back in touch as she was always looking for remedies with natural products to help Jessica in her cheer dance competitions! I loved catching up with her! Just so so sad to hear this news! God bless her beautiful children!!

“ Even though I grew up here I didn't actually get to know Jodi until I moved back here a few years ago. She coached my daughter in cheer and we became friends. She was so kind and caring. Her eyes also beamed with joy when it came to her kids. I've never seen someone so proud of her kids and grand babies. She will be missed immensely by everyone that knew her. Prayers and hugs to her family.

“ I first met Jodi while our kids were in school at Little Shasta. My son became very good friends with her son Cody. The kids were wonderful to be around and she was always donating her time to help with events or running kids around to their sports, 4H or any other event they were involved in. I enjoyed the talks Jodi and I had over the years and most of them were always about the kids. It was evident she loved the deeply and would do anything she could for them. I am so sorry this has happend and I will pray for healing for the family. I know she will continue to watch over you from above. Much love Michelle Rice
