

John Donald Holleman Jr.

April 14, 1960 - October 23, 2011

John Donald Holleman Jr. lost his battle with colon cancer Sunday, October 23rd, 2011 at Madrone Hospice with his loving parents John and Jerilyn Holleman at his side.

Johnny was born in Paradise, Ca, April 14, 1960. He was known for his love of baseball and skiing throughout his life. He spent much time on Mt. Shasta and his love of telemark skiing moved him from Yreka to the Reno/Tahoe area. He also enjoyed photography, hiking, mountain biking, and spending time with his close friends and family. In the last years of his battle, he came back to Yreka to live with his family. It is with bittersweet sadness that the two year extension of his life is at a close, but it seems that those two years were granted to allow Johnny to come to terms with passing on to eternity and to know that he will be making his "turns" in a far better place. We love you Johnny and you will be greatly missed. May you find much powder in heaven. Johnny is survived by his parents, brothers, Jeff and Jim Holleman, and sister, Julieann Widergren. Daughters Sierra & Kasey Holleman and grandchildren, Keith and Aliah.

The family would like to give special thanks to all the supporters of the John Holleman Jr. Colon Cancer Run/Walk of 2009. These donations enabled Johnny to live out his remaining time without financial burden. A special thanks to his sister and husband for also assisting in this time of need.

Please join the family for a celebration of John Holleman Jr.'s life at the United Methodist Church (502 N. Fairchild, Yreka Ca) on Sunday, October 30th, at

3:00pm. In lieu of flowers, please send donations to Madrone Hospice, 255 Collier Way, Yreka Ca.
