“ Beautiful smile, beautiful laugh! You were born 10 months and 2 days after me. I loved growing up together...same school, same church! I cherish those memories. As you leave loved ones behind grieving because you no longer are present in their lives we pray God's loving hands to hold them close as they grieve. As difficult as it is for them, I know you are rejoicing with the Lord and with those family members that have gone on before you. Much love...your cousin...Shirley Ann
