

## Kathryn Rose Schultz

February 3, 1961 - May 1, 2021

On May 1, 2021, Kathryn Rose Schultz, a long time Scott Valley resident, was called home. All who knew Kathie will miss her flaming red hair, bubbly personality, and the kind, caring, and giving person that she was.

Kathie enjoyed spending time with her friends, especially her many nieces and nephews; her family meant the world to her, especially her many nieces and nephews. Kathie loved to spend time with all of her kids; she was a big kid herself, and the all the kids loved her and loved spending time with her. Kathie enjoyed planting her flowers and being outside on sunny days. She enjoyed beading, coloring, painting, and she always had a project going.

Kathie joined her youngest sister, Marcia Lisby, and her dad, Frank G. Lisby in heaven. Kathie left behind her mother, Sandra Lisby of Greenview; her brothers and sisters: Gina Garrison, Robin Moran, Anthony "Tony" Lisby, and Mike Schultz; she also leaves behind too many nieces and nephews to count!

There will be a celebration of Kathie's life at Jefferson's Roadhouse in Yreka on May 29 at 1:00 p.m. Please RSVP as soon as possible on their Facebook event page, created by Nichole Hammond. After the dinner, the celebration will continue at the Lisby residence - 5313 State Highway 3, Etna.

Rest in peace, Kathie, until we meet again.

JA

“ I remember Kathy. I lived with her in Shasta Lake City years ago. A young girl was being chased by a predator and Kathy helped the girl phone her parents. Kathy took her under her wing and the little girl was picked up by her parents safe and sound.
