“ 4th of July was yesterday. I thought about all the good times I had down at your house sitting on the roof watching fireworks. We're going to the waterfront for all the buildings were there. Great memories. I recently went up to Lake Tahoe and visited the heavenly area. Here's a picture of the family.

“ Eater was two days ago and I thought about all the times we would do egg hunts at your house when I was a kid. Now my kids are doing it at my mom's. Also, I found out my Mom has cancer yesterday. I don't know what to do or what to say. Usually I would call you up and talk to you about things like this. I miss you so much.
