“ My memories of Lenora are of her sitting with a big smile at John's dinner table, enjoying a tequila with Marjie and I while John made yet another superb meal. She was warm, genuine and loved her family. And her cows-those, too. That was a full life, well lived.

“ I was so sorry to hear about Lenora passing. She was a great person who worked hard. I first met her years ago when we were working on getting the current CASA program off the ground. I knew her son, John, who I worked with on occasion. I am so sorry for the family.
