

## Leo David Miller

October 7, 1942 - December 25, 2015

On December 25, 2015, Leo David Miller passed away surrounded by family. He was 73 years old.

Leo was born on October 7, 1942 to David and Edna Miller of Ida Grove, Iowa. Following high school, Leo entered the United States Army where he proudly served our country. He returned home to Iowa to farm where he married Marcia Rose McMullen on March 11, 1978 in Ida Grove. Together, over the next 37 years, they raised four loving children.

Leo was a dedicated farmer in Iowa for many years before moving the family to California. He successfully built his rental equipment business from the ground up in Yreka. He was an avid gardener, fisherman and cattle rancher who enjoyed sharing his bounty with family, friends and neighbors.

Leo valued family above anything. Over the years, he created many traditions with his children and grandchildren; camping, hunting, fishing and teaching the skills of farming and ranching. He was a mentor to many young people in the community and loved sharing funny anecdotes about life for which he will be remembered.

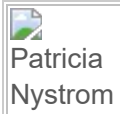

He was preceded in death by his parents; his grandparents; brother Alvin Miller and sister Carol Devine.

Leo is survived by his wife Marcia of 37 years, son Bradley (Kristina) Miller, daughter Jodi (Joshua) Mottashed, daughter Jean (John) Wood, daughter Susan Miller, brother Merlin (Brenda) Miller, 9 loving grandchildren and 1 great-grandchild. Leo was a loving father, husband, grandfather and friend to all.

As requested by Leo, the family will hold a special celebration of life at the Medicine Lake Campground in California during the summer of 2016. In lieu of flowers or food, the family asks that memorial donations be made to the Fairchild Medical Center Foundation or the Yreka High School FFA Chapter. Leo was dedicated to both organizations.

At this time, no services are to be held for Leo.

“ My Dad was the greatest man I've ever known. He had the ability to love unconditionally and always kept his family as his top priority. His words of wisdom and his facial expressions were legendary, and I will carry my memory of him in my heart forever. I love and miss you Dad so very much.
