

Leonard Anthony Bear

June 3, 1936 - November 20, 2021

Leonard Anthony Bear, 85, a long-time Hornbrook resident, passed away suddenly due to complications from a stroke on November 20, 2021, at Mercy Medical Center Mt. Shasta surrounded by his loving wife, Phyllis Bear; son, Ron Bear; and daughter, Kelly Bear.

Leonard was born in Long Prairie, Minnesota on June 3, 1936, to Francis and Frank Bear. He moved out west with his parents at an early age. He grew up and attended school in the Seattle and Woodburn area with his ten siblings. After graduating high school in Seattle in 1955, he moved to Hornbrook, CA, where his father owned a ranch. He worked on the family ranch and attended two years at Southern Oregon College in Ashland, studying pre-engineering before being drafted into the army.

After getting out of the army in 1961, he purchased the family ranch and worked at the sawmill in Hornbrook. In 1962 he met the love of his life, Phyllis Epley, in Hornbrook, and they were married July 26, 1964, in San Jose. They worked hand-in-hand on the ranch for the last 57 years.

During the first few years of marriage, he worked for Spearin Brothers Logging, worked on his ranch raising hogs, and purchased the Hornbrook Water Company. Together they welcomed two children, Ron in 1966 and Kelly in 1968.

Leonard continued to work several jobs at a time to provide for his family all while continuing to farm and raise cattle. Over the years he worked: at Hornbrook Elementary School as a bus driver and custodian for 20 years; built many homes and did backhoe work in the area; owned a water well drilling company for several years; was president of Cottonwood Irrigation and Mining Co.; was on the Hornbrook Volunteer Fire Department for years; and Hornbrook Elementary school board.

Starting in 1985, he worked side-by-side with his son, Ron, building homes in Siskiyou County. He continued to do this up until his last days. It was quite an accomplishment to see four generations together on job sites the last few years.

He never truly retired. He was always out working the land, helping on the job site, and helping his fellow community members. In 2018 a wildfire swept across Hornbrook and his ranch. Many neighbors evacuated but Leonard stayed to make fire breaks around their homes and saved many of them. The love and dedication he had for Hornbrook was shown with endless hours donated to bettering the community for no other reason than it was his home.

Leonard was a devoted father and loving husband. He loved his family, ranch, and pets beyond compare. He had a kind and gentle heart. He especially loved his dogs, taking them for several walks every day. Leonard was an avid conversationalist. Boy did he love to talk. He would bend your ear for quite some time.

Leonard is survived by his wife of 57 years, Phyllis Bear; son, Ron Bear; and daughter, Kelly Bear all of Hornbrook; three grandchildren: Colton, Brenten, and Evan Bear; and numerous great-grandchildren. He also has many nieces, nephews and extended family members who will miss him very much.

Our family would like to express our great appreciation to Mercy Medical Center Mt. Shasta and to all of their staff for providing excellent care in his final days.

There will be a graveside service at 1 pm Saturday, December 4, 2021 at Hornbrook Cemetery. A celebration of life will follow at the Hornbrook Community Bible Church. You are welcome to bring a pot-luck style dish or your favorite dessert to share along with your memories of Leonard to celebrate his life.

“ Leonard was the best neighbor ever. He was always ready to help. We enjoyed his visits, his knowledge, his stories and looking out the window and seeing him walking his dogs or going back and forth on a tractor as he tended to his field. When a Polaris ATV was delivered to Jesse on a flatbed truck with no ramps (all the way from Michigan), Leonard showed up with his backhoe and saved the day. He came out to help, not even knowing that we needed (though Leonard probably saw that there were no ramps). We're still trying to upload the video of Leonard and the backhoe. We will get it to family. When Leonard visited, he always declined offers of food because Phyllis had something wonderful waiting for him. Leonard was a special man! He loved to help. He did more for Hornbrook than can be remembered. He cared about friends, family, and community. Leonard's spirit will always be here in Hornbrook. We are grateful that we got to know Leonard and his family. -Jesse Fowler and Janet Fowler

“ Phyllis, Ron and Kelly, My heart is deeply grieving for all of you. I didn't know until late yesterday that Leonard had passed away. I have the most special memories of many, many conversations we had throughout my years teaching at Hornbrook Elementary. He loved giving me a hard time (for fun) and I always loved returning "the favor" although he was much better at it than I. Oh and the many field trips my students and I took with Leonard as bus driver. I always appreciated his expectations of children behaving on the bus and as he'd get after them if they did otherwise. The kids couldn't get away with anything when he was driving and they knew it. I remember his smile, his sense of humor and his endless love for each of you as well as for his grandchildren. Leonard was a very special man who will be deeply missed by all who knew him. I'm grateful for the many memories that I have of our years together. I am sorry that I will not be able to attend his Celebration of Life service tomorrow as I'm a care giver now for my husband who is in late stage Alzheimer's. Please know that I my prayers are with each one of you grieve and that Leonard will always have a very special place in my heart. Pamela O'Neill

“ I'm so sorry to hear about Leonard's passing. 😞 He was such an amazing beautiful person! It was such an honor to know this man. He had such a beautiful spirit about him and he always touched my heart whenever I saw and spoke with him. He shared so many beautiful stories about his life, his family, and his community, all while working and beautifying my property! He will be terribly missed by so many people, I know this because I already miss the idea of not being able to hear him share his beautiful stories and wisdom with me. May he Rest In Peace. ❤️

“ Im so sad to hear the loss of Leonard. One of the kindest man Ive known. I remember he coming to my house when Ron was installing a door. Leonard carried my little Doxie that had had back surgery around making sure she wouldnt get hurt with work going on. When it was time to go I wasnt sure he was going to give her back. Rest in paradise Leonard you were one of a kind!

“ Uncle Leonard was such a special man. A devoted husband, father, uncle and friend. He had a wonderful sense of humor and gentleness about him. He was known for asking his nephews... "my goodness, how tall are you?" Of course these young nephews would proudly respond with their height; at which time Uncle Leonard would promptly reply, "I didn't know they could stack crap (he used sh*t LOL) that high!" We'd all laugh. It was all in fun. He was the last living child of Frances and Frank Bear. It's difficult to lose the last of your Aunts/Uncles. You will be missed Uncle Leonard. My thoughts, love and prayers to Phyllis, Ron, Kelly and family.
