

## Linda Lee Jester

January 15, 1954 - January 5, 2020

Linda Lee Jester, 65, of Hornbrook, California passed away on January 5, 2020. A private family Celebration of Life Service will be announced later this year.

Linda was born on January 15, 1954, in Sacramento, California to parents Harold Bruce and Silvia Jennie Keener. She attended Mira Loma High School, graduating in 1972. She later obtained MSCS certification and worked in IT certified radiology field.

In 2000, Linda met the love of her life, Gregg Jester and they married on September 16, 2000. Linda enjoyed helping those in need. Causes she supported were the Wounded Veterans of America and the American Cancer Society.

Linda had a variety of passions and hobbies including crafting, recreational activities, spending time with family, a love of nature, and learning new things. She made quilts, blankets, macramé, painting and crafts. She enjoyed walks on the beach, as well as camping and fishing with her husband, Gregg and her family. She loved attending a women's retreat in Lake Tahoe every year. She was an avid collector of Native American culture and practiced spirituality.

Linda is survived by her husband, Gregg Jester; daughter, Staci Peterson

(Brandon); sisters, Suzie O'Neill, Cindy Sadtler (Jim); nieces, Joyce Burns, Laura Sadtler, , April Balestreri, Stephanie Balestreri, and Melissa Jester, Nephews Godson Cristofor Balestreri; Myles Jester, and Joshua Jester; grandsons, Scott Hatkoff, Noah Peterson, Roland Peterson.

Linda was preceded in death by her parents Harold and Silvia Keener. In lieu of flowers, the family asks that memorial donations be made to the Wounded Veterans of America or the American Cancer Society in Linda's honor.

# Tribute Wall

CD

“ *Linda was our neighbor & my friend. We enjoyed having coffee together, girl talks & occasional outings. I sensed her spirituality & love. I miss you Linda, May you Rest In Peace until we meet again. Love you, Char*

“ *Linda (momma) is was such an incredible person. Growing up she and I would give each other butterfly kisses and Eskimo kisses. She had a transam and as a kid, I thought that we'd the coolest car ever!! I saw one the other day and I just knew it was a way of her saying that she's okay. I'll love and miss you forever, momma.*
