

## Lois "Lou" Loene Ogden

June 6, 1924 - May 6, 2016

Lois Loene "Lou" Ogden passed away on May 6, 2016 at her home in Yreka. She was a month away from her 92nd birthday.

Lou was born in Burr Oak, Kansas on June 6, 1924. She lived in Vallejo, California for many years before moving to Yreka, where she lived her past 30 years. Lou was a multi-talented individual, who worked for many years in several industries. She was computer programmer for ten years, a card dealer for multiple casinos in both Reno and Las Vegas, and a real estate broker for many years.

Lou was also an artist, specifically in oil and acrylic paint. She won 1st place at the Siskiyou Golden Fair on several occasions. She enjoyed fishing, and her favorite spot to do so was at Lake Mead outside of Las Vegas. She often told the story about how she lassoed a bass one time when she got a loop in her line, and she wrangled the bass to the surface! Lou enjoyed hunting in her youth, but she always enjoyed playing bingo and visiting casinos. She was an avid traveler, including trips to New Zealand, Australia, Tahiti, Europe, and the Caribbean.

Above all, Lou had a huge heart, and would help anybody who needed assistance, because doing the right thing meant the world to her.

Lou was preceded in death by her husband, John Ogden in September of 2015. She is survived by her son, James Guinn of Yreka, and numerous kids who were like grandchildren to her. At her request, no services are to be held.
