

Lorri Lynn Gilley

January 7, 1958 - October 19, 2021

Lorri Lynn Gilley passed away on October 19, 2021.

Lorri was born on January 7, 1958 in Lompoc to William and Coleen Burghart. Being in a military family, she grew up in several places: California, New York, London, England and finally finished high school in Fort Jones. She went on to college and earned her accounting degree, working for several local companies, including Sam Cattani, Timber Products, Stidham Trucking and Parson Pines.

In earlier days, Lorri loved hiking, gardening, campfires, friends and the dogs that were so much a part of her family. She liked to travel, and had the privilege of seeing many states and countries in her life. She kept in contact with many of those she met from her travels.

Lorri had a kind and generous heart. She was loved by many and a friend to all. No matter where she was, she was always looking out for others and trying to help those in need. Life was not always easy for her, but for those of us who loved her, these qualities in her life showed through the heartache.

She made a profession of faith in Jesus Christ and was baptized in the Shasta River on July 15, 2001.

May God redeem and heal the broken things and give her life and that abundantly...

She was preceded in death by both of her parents, and leaves behind her sister, Jennie (Bjorn) Onarheim, several much-loved cousins, her best friend, Marie Westerlund, who called and encouraged her every day, and many others who cared and loved her.

Services are not planned at this time, but your memories are welcome and appreciated. If you are so inclined, donations may be made to Voice of the Martyrs in Bartlesville, OK or the Yreka Rescue Ranch, in Lorri's name.
