

Margaret Conner

June 4, 1932 - February 13, 2019

Margaret Conner, known to many as "Maggie," passed away at the age of 86 on February 13, 2019, with her family by her side.

Maggie has lived in Yreka for 24 years. She was born in Utah on June 4, 1932, to Harley and Frances Ripley, and as the daughter of a forest ranger, she spent most of her growing up in various ranger stations in California - she had wonderful childhood memories especially of the Eel River station. She graduated from high school in Willows, California.

She worked for 30 years as a legal secretary in the state of Nevada and worked for ten years at Siskiyou County Child Support Services. For many years she enjoyed her nearly daily walks around Greenhorn Lake in Yreka.

Many knew Maggie as a wise and loving woman with a passion for her Lord and Savior Jesus Christ. Many more knew how much of her wisdom grew out of an early struggle with alcoholism, and 55 years of sobriety in which she welcomed untold numbers who struggled with addictions into her heart and life. One friend recalls, "She made me a part of her family. She just kept loving me until I learned to love myself."

Maggie is preceded in death by her brother, Harley "Bud" Ripley II.

She is survived by her two daughters and their husbands, Irene and Roy Spaulding, and Katy and George Popa. She is also survived by her grandchildren, Roy Spaulding Jr., Minnie Bryant, Meg Silva, Joshua Spaulding, Noah Popa, Alex Popa, Tricia Conner Hays and their spouses, as well as her seventeen great-grandchildren. In addition, she is survived by her sister in law Linda Ripley, her nieces Madonna Dalton and Christina Granillo, and her nephew Harley Ripley IV.

A memorial service for Maggie will take place on Friday, March 15 at noon at Bethel Church in Yreka, 1115 Lane St, Yreka, CA 96097. All who wish to celebrate her life are invited to attend.

“ *My Aunt was the World to me but as soon as she was put were she didn't want to be and I was not even offered to help it was insulting and very hurtful to my Husband and I and then we didn't even get to say Goodbye that was even worse. My Aunt Maggie was all I had left of my dad and now she's gone as well and I am going to miss her so much it kills me inside so to my loving and Beautiful Aunt whom I believe was my Angel out in the world I give back to her a Angel to remind her to not ever forget me because they all said she didn't know who anybody was but I knew when I saw her she new who me and my husband was every time.*
