

Marian Rae Hamilton

March 5, 1935 - November 4, 2024

Marian Rae Mesner Hamilton, Yreka, passed away on 4 November 2024 at her daughter's home in Yreka.

Marian was born to Harry and Violet Mesner on 5 March 1935, in Klamath Falls, Oregon. After graduating from Klamath Union High School, Marian attended Oregon State University where she met her husband, Charles Wesley "Wes" Hamilton. They were married for 62 years. Marian and Wes lived in Modoc, Siskiyou, and San Bernardino Counties, California, as Wes was pursuing a career in the Forest Service. Wherever they were assigned she served her community by volunteering in the church, Scouting, FFA, and civic organizations, including PTA, Eastern Star, and garden clubs. Marian was an accomplished seamstress, working from her home on new designs, clothing repair, and alterations. Marian and Wes created and operated Crafty Collectibles in Yreka, from 1986 through 2000. The shop specialized in fabrics, alterations, dress design and custom-made wooden toys. Marian and Wes were successful orchardists, raising wild plums and many varieties of berries on their property east of Yreka.

In 2002, Marian began volunteering as a member of the Fairchild Medical Center Auxiliary and Foundation. Marian managed the hospital's Gift Shop and enjoyed the opportunity to meet with the employees, patients and visitors to the hospital.

As well as being a loving mother and wife, her lifetime of selfless service positively affected the lives of the many people she met along the way.

Marian is survived by her sister, Cindy Narramore (Tom) of Mountain Home, Idaho; son, Harry Hamilton (Dianne) of Madison, Alabama; daughters, Robin Bingham (Neil) of Yreka, California, and Becky Valdez (Robert) of Highland, California; seven grandchildren and seven great grandchildren.

Marian will be laid to rest at the Malin Cemetery in Malin, Oregon alongside her husband, Wes. In lieu of flowers, donations can be made to the Fairchild Medical Center Foundation.

“ Dear Robin and family, knowing that Marian is gone makes my heart hurt. She was part of my life for so many years. She was my friend. Marian designed my wedding gown in 1987, for my Victorian style wedding. She talked me into teaching painting classes and doll making classes in Fabric Country and of course, your dad cut all of my wood for my painting classes. Your dad restored a chest of drawers I gave him that belonged on my great grandfather's ranch. Marion gave the chest to my son Jeff when he got married. Both of your parents hold a special place in my memories and heart. I was lucky to know and love them and have them in my life. Sending my love to you Robin and your wonderful family.
