“ *My dear sweet added family, We have been in each others lives for so many years and so many of both families heartfelt passings. My heart goes out to all of you and your families. She fought a really hard battle, she was such a strong person. All I can say is, she is with both of our family members who have left us in Heaven. No more pain and as always her hearty laugh and chuckle. I loved her and I love all of you. Hugs and Kisses, thoughts and prayers*
