“ Dear Aunt Mary was one of my mother's beloved sisters. Our family was privileged to be able to visit the California homes of Aunt Mary and Uncle Dave in the 1960s and Mom and I went out to see them in 2005. My travel friend and I visited in 2015. Of course, we saw them often each time they moved back to Zanesville as well. She always had a smile and definitely deserved the nickname "Mary Cricket" bestowed upon her at age 7 when she spent a year in a tuberculosis sanitorium in Mt. Vernon, Ohio, in the early 1930s.

It's my understanding that the health officials let her go back home after Granny Barr pleaded to let Mary come back to Zanesville, if Granny would keep her at home for another year so she couldn't spread TB.

Her precious smile and positive outlook on life will stay with me forever.
