

Mary Gladys Ross

November 6, 1926 - May 29, 2026

It is with deep sorrow and much love that we mourn the passing of our Mom, Mary Gladys Ross, on May 29, 2026 at Yreka. She was 99 1/2 years old. Mary Gladys Bowers, known as Gladys, was born in Akron, OH on November 6, 1926 to Grant C. & Mary F. Bowers. Gladys grew up in Akron. While in 6th grade she met her best friend Ruth Williams. The two were inseparable and would one day marry brothers, sealing their sisterhood. Gladys graduated from East High School in Akron on June 6, 1944. A date she would never forget for it was the Invasion of Normandy, D-Day. She was seventeen. When Gladys turned 18 she went to work for Goodyear Aircraft, Plant C in Akron. She was trained to be a "Rosie the Riveter" working on the B-29's fuselage installing dust seals on bomb bay doors. It was during this time she met and became engaged to Robert Cross an Air Force man stationed with the B-29's in the Pacific. Gladys has always been proud of her patriotism and her contributions in helping the war efforts. Gladys married Robert Ross on March 17, 1945 and soon started a family. Her family has always been her crowning achievement to which she was most proud. Pouring her heart and soul into being a wife and mother of 3, she became a dedicated homemaker. In 1966 the family moved to Etna, where Gladys was united with her best friend and now sister-in-law whom resided there. Etna remained her "Home" until her passing and where she had made many friends throughout the years. Gladys was not only an amazing homemaker, she was also an amazing cook. She loved to bake most of all. Those who knew her will attest to the wide

array of delectable desserts she made. Holidays and special occasions were made Extra Special and memorable by cherished recipes made only for those times and we looked forward to them each year.

Gladys loved to sew. She had sewn countless outfits for her daughters and grand daughters + doll clothes, formals, prom dresses, wedding dresses, maternity clothes, baby clothes also sewing for herself and a couple dress shirts for her husband who proudly wore them on several occasions. she was excited to be able to take an advanced designer sewing class with the late Dot Luce, a dress designer and boutique Owner. Gladys was an expert seamstress in her own right, but always liked learning new things.

Over the years Gladys held jobs at Goodyear Aircraft and J.C. Penney's of Akron, and also the Homestead in Etna and she later enjoyed many years at Scott Valley Drug Store from which she retired. Gladys devoted many hours as an Assistant Sewing Leader for 4-H, was a council member for Job's Daughters for many years. A member of Eastern Star, she was Deaconess for the Berean Church in Etna, and enjoyed spending time with her Sewing Circles and Bible Study Groups.

Gladys was known for her sense of humor, brightening every conversation and leaving smiles along the way. No matter how poorly she felt, she always brought a chuckle and a smile to those around her. Her smile and laugh shall forever be etched in our hearts. Gladys had a heart of gold where her family was held near and dear. The special memories of our mom, our grandmother, and great grandmother and all she has meant to our family will be forever cherished in our hearts..our tears of today will someday turn into smiles as we fondly remember her memory. A treasure who is loved beyond words and will be missed beyond measure.

“ *I'm so sorry to hear of Gladys' passing. She was such a sweet and kind lady. We shared so many wonderful times working with the Job's Daughters. Her sense of humor and laughter combined with Don Elam's were a joy. I will forever hold her close in my heart* ❤️

“ Aunt Gladys was such a precious, beautiful person. I'll never forget how caring she was and gentle when talking with us, wanting to share memories and give advice about life. She came to Ohio to visit my Dad and my Uncle, her brothers Jack and John, when she could, and my wife and I would plan a trip home from the Army to see her too. I remember her sitting at the kitchen table with my wife and I, after my Mom passed, to see how we were doing and talk of memories and of the Lord. She gave us advice like only a mother could; nothing further about that, on the grounds that it might incriminate me...

I remember fondly the trips to get us some Strickland's Custards in Akron, that was one of her favorite things that she missed from Ohio, and mine too. Dad said she wanted to go once a day while she was here...

Gladys remained a major player in my Dad's life, his older sister, even from across the USA. They talked on the phone every other Saturday night without fail and she often sent cards and gifts to her brothers and family.

Thank you Aunt Gladys for the love and wonderful memories and the wisdom you shared with us.

Enjoy eternity with out Lord, I'll see you up there!!
