

## Melba June Wolfe

January 25, 1940 - September 9, 2020

Melba June Wolfe passed away on September 9, 2020. She was born in Fresno on January 25, 1940 to the Revs. Clarence and Nora Lumsden. Melba spent her adult life in southern California doing work in factories and the hospitality industry. She was employed as a lodging desk clerk in 1979, where she met her husband, Jack. The couple enjoyed their first date at a drive-in movie theater, and were inseparable for the next 41 years. The couple moved to Siskiyou County, where they have lived for the past 30 years.

Melba enjoyed bowling when she was able, and later spending time socializing with the friends she had made at the bowling alley and watching Jack bowl in his league. Melba also had fun playing board and video games. Melba had a true love of life, and had a smile for everyone she met. She brought joy and laughter to the lives of many and will be greatly missed.

In addition to her husband, Jack, Melba is survived by her two sisters and brothers-in-law: Virginia and Ray Condit, and Nancy and Mike Finney; one brother, Gerald Lumsden, and six grandchildren.

Melba was laid to rest at Evergreen Cemetery and is now dancing in heaven with her parents and her sister Nora DeRose. A memorial service was held at Lighthouse of Deliverance Church on Miner Street.
