

## Melvin Eugene Rodriguez

October 1, 1949 - October 9, 2016

Longtime Siskiyou County resident, Melvin Rodriguez passed away unexpectedly in Redding on October 9, 2016 at the age on 67. He spent his last 30 years in Siskiyou County, calling Hornbrook home for many of those years.

Mel was born on October 1, 1949 to Frank and Mary Rodriguez in Oakland. Mel was a true jack-of-all-trades, whose longest career was as a long haul truck driver. Mel was a lover of all things outdoors: an avid fisher and camper, frequenting Irongate Lake and the Klamathon Bridge quite often. He loved motorcycles, so long as they were Harley-Davidsons. If they weren't Harleys, they weren't worthy!

Above all, Mel was a people person. He thoroughly enjoyed having company over and barbequing. One of Mel's signature characteristics, though, was his stubbornness, which was always present!

Mel is survived by three children: Robert (Deanna) of Klamath Falls, James of Yreka, and Marlene Rodriguez of Yreka; an "adopted" son, Ramon Feliciano of Weed; a sister, Kathy McGlothin; 15 grandchildren, and four great grandchildren. The family truly believes that Mel was taken too soon, and that they were robbed of many good years yet to come with their friend and father.

No services are to be held for Mel.
