

## Michael Jackson

November 6, 1954 - November 7, 2024

Michael Greg Jackson passed away November 7, 2024. He was 70 years old. He is survived by the love of his life, Sara Jackson; daughter Lindsie Rodriques and son-in-law Ben Rodriques; and his beautiful granddaughters Ana and Adalyn.

Mike was a beloved father, husband, grandfather, brother, uncle, friend and the lover of all animals and will be deeply missed. Mike will be remembered by all who knew him for his kind heart, gentle soul, his sense of humor and his wealth of knowledge.

May "the man, the myth, the legend" be fishing on the banks in heaven. There will be a celebration of life to come in the spring.

“ Mike was always such a bright spot in his quiet little way. I loved the fact he knew when he met his soul mate, Sara. He loved life in general. Know that he is with you always. He loved being a father and grand father. When he told me he was a jailer, he said at least I get to see my friends on occasion! Oh how we laughed! Sara and Lyndsdey I am sending you Great love. I am here for you. God hold Mike close and his family closer. Hugs

“ It's amazing the unexpected friends you make in your life. I'm 30 years old. Mike was 70.

Still yet, I will always remember and hold his friendship dear, as one of the greatest friends I've known in this life.

I met him as a customer at the store, and he was the one person I looked forward to seeing each day. On some of the worst days I've had, a joke from Mike, or a good fishing story might have been the only good thing I felt all day.

I truly believe Mike is the only fisherman who never exaggerated his stories either. No need. 😊

He is a man who literally broke the mold. The love he held for his beautiful bride Sara, made the sweetest love movies seem like a silly cartoon. The friendship, respect, honor and connection could be felt in every word he spoke. Everyone knew how proud he was to have her by his side, how dearly he loved his daughter and her husband, who he also spoke highly of. And how honored he was to be the grandfather of the 2 beautiful girls Lindsie and Ben brought into this world- who he doted upon daily.

I will forever cherish every moment of advice, kindness, laughter, and most importantly, reality checks. Always honest, no matter the cost, Mike challenged me to stop and think, reevaluate, consider all angles and perspectives, before making a decision. Many times I asked for advice expecting the answer I wanted, but received instead, the question I needed in order to answer right, for myself.

A piece of my heart will always be missing now, but I'll fill it by sharing his kindness and warmth with anyone I can. And when the hard days come, I'll ask myself what Mr. Mike would have asked me to help me make it through.

My heart is with you Sara and family, and you are all in my prayers

*every day. Thank you for sharing this wonderful man with all of us.  
We all love you deeply ❤️*
