

Monte John Miles

April 23, 1946 - April 11, 2011

A native resident of Scott Valley, Monte John Miles, passed away Monday, April 11, 2011, at age 64. After graduating from Etna High School, he served our country as a member of the US Army. He spent time in Korea and had many interesting stories to tell and memories of his time in the service. Monte drove both logging and water trucks for many years in the beloved mountains of this county. He also helped his father, Bill Miles, at the McKean Mine making wood shingles. Monte shared a home with his long time campaign, Elizabeth Bigham, who preceded his death. They both enjoyed bowling, going to Reno, gardening, and cooking. He always looked after the wildlife around their home. Monte would take in all animals and feed them well; he would then name all his "little friends" as he liked to call them. Monte had a passion for baseball, and played a good game himself back in the day! His favorite pro team was the Cubs! He also was a history buff. In the last year he started researching the Bible with the help of Drew Travis. Monte is survived by Tammy McEwen of Etna, grandchildren and great-grandchildren. He is also survived by one cousin; Fred Miles, his wife and their two children. Monte will be missed and remembered as a kind, caring man, with a love for his animals. Many thanks to his extended family Chuck, Mary, Cynthia and Kenny from Fort Jones for their friendship and support. Per Monte's request no services will be held.
