

## Myrna Kay Hammar

February 22, 1942 - April 15, 2015

Myrna Hammar of Yreka passed away suddenly on April 15, 2015. She was 73 years old.

Myrna was born in Glenwood, Minnesota to Arthur and Emma Fischer on February 22, 1942. She was raised in Alexandria, Minnesota where she graduated from high school and married her high school sweetheart, William Hammar, on July 9, 1960. Myrna and William lived in a few different states due to William being in the Navy, and later a salesman, and executive, for an x-ray firm, finally settling down in Fargo, North Dakota in 1979. William passed away in 1997, and Myrna eventually moved to Yreka, California in 2011 where her son, Wayne, resides.

Myrna enjoyed being outside in her garden, and if she couldn't be outside, you could find her inside cooking or sewing. She loved to spend time with her good friends, Sue and Merlyn Shelstad and Francis Kearney, playing cards or just visiting. Myrna had a love for animals, especially her two small lap dogs, but the thing that Myrna loved most of all was spending time with her grandchildren and great grandchildren; they always brought a smile to her face. She will be dearly missed by her family and friends.

Myrna is survived by her 3 children, Wendi Glass, Michael Hammar, and Wayne and Cindy Hammar; her brother, Roland Fischer; her 4 grandchildren,

Steven Glass, Kaytlenn Glass, Bryan Hammar, and Richard and Cheryl Seres, and her 2 great grandchildren.

At this time no services are planned. In lieu of flowers, please send memorial contributions to Madrone Hospice at 255 Collier Circle, Yreka, CA. or the Rescue Ranch at 2216 Oberlin Road, Yreka, CA.

“ I'm so sorry to hear of your loss. My memories are very long ago. In fact when I read your family had left Aberdeen SD in 1979, it made me realize it's been more than 35 years! I was Wendi's best friend in the late 70's. I always thought Mryna was the coolest mom ever! We would always end up over at their house after school and Mryna always had a big gallon jug of her famous Iced tea ready for us! It was the best tea I've ever had! She always called me "Boils". My last name was Fry, and she thought that was so funny--and so did !! She was always so fun to be around. I lost my mom six years ago and it's amazing, those mom's have a way of visiting your thoughts every single day! Treasure all of your wonderful memories, you have them forever.

Wendi, not sure where you are, but would love to hear from you! I live in Lisbon ND.

“ The Roger and Mary Hoffmann family from Fargo, ND, want to extend our deepest sympathy for the loss of your mother Myrna. Whenever we would visit with Myrna, she would mention her children and grandchildren and all the activities that they enjoyed. Family meant everything to Bill and Myrna. Mary and I had the opportunity to enjoy both Wayne and Wendy as high school students, and our entire family went on to cherish Wayne's dedication to our summer irrigation business. Because of our closeness to the Hammar Family, we were able to share in many of the fun events that the Hammar's hosted. There would be plenty of food and laughter at these celebrations. Bill and Myrna would make sure that everyone would feel welcome. They always were perfect hosts, and their children learned and shared those same traits. We are sorry for your loss, but we also are thankful that Bill and Myrna's children are carrying on with those same values and admired characteristics. Your family is to be saluted.
