

## Nathan "Nate" Allen Joling

May 24, 1986 - April 12, 2018

Nathan A. Joling, 31 year old Central Point resident, left us unexpectedly on Thursday, April 12, 2018.

Nate was born on May 24, 1986 in Yreka, California to Joe and Nancy Joling. Nate was loved by so many. His huge heart, infectious laugh, radiant smile and strong bear-like hugs left a mark on everyone he met. He was an amazing son and brother. This tragic loss has left a void in our lives that can never be filled.

Growing up, Nate was rambunctious and a quick learner. Anything that involved sports or physical skill, he was the master. Growing up he played many sports: football, baseball, basketball, soccer and BMX. While in elementary school, he was part of the unicycle club and the Boy Scouts.

Nate enjoyed visiting and having fun with family and friends. He was always excited for a holiday or event so he could spend time with them. A lot of these events were camping and hanging out at the river. Just being outdoors made him happy. He found his true calling fighting fire, and worked on a local fire fighting crew, where he was advancing his career. Nate just loved his family, friends, pets, music and sports. Nate was also an avid "SEAHAWKS" fan. Go Hawks!

Nate is survived by his father and mother, Joe and Nancy Joling; his sister, Tenielle Joling; grandma, Carol Ledford, and numerous aunts, uncles and cousins. He is preceded in death by his grandparents, Sonny and Caroline Allen; grandpa, Herman H. Joling Jr. and Kane, his beloved dog.

Nate will be missed by all who knew and loved him. We will forever be grateful to God for Nate and the joy and love he brought to each one of our lives. A memorial service will be held on Saturday, May 5, 2018 at 1:00 PM at Girdner Funeral Chapel, 202 S. Oregon Street in Yreka, California. The family invites you to attend a potluck to celebrate Nate's life following the service at the Karuk Community Room, 1836 Apsuun Road in Yreka. A Celebration of Life will be held on May 12, 2018 at 1:00 PM at TouVelle State Park, Tablerock Road in Central Point, Oregon. Please bring a dish and memories to share.

“ Nate became one of my children through my oldest son. As with all my kids, my son's friends have become my kids. I was there for all of them since grade school even. I took him camping fishing rafting, I even went to parties with them and made sure there was no drunk driving or drugs. I was the only mother at all the parties. I even went down and dancing with them at the bars in town. I was one of them. All of them knew they could come to me for anything and I would be there for them. And they were there for me too. Whenever I had to do a road trip up to Seattle I'd always ask Nate because he had family up there and was willing to drive my car, because I got back problems and that long of a ride was a little bit too much for me. Anyway I loved him like a son, I wish I would have known how bad it was. He was one of the blessings in my life. I have lots of pictures of him, I've been going through and downloading to CDs or his family. I was wondering if any of the family is coming up on the 12th to the touvelle celebration of life? I will have copies of the pictures and a DVD movie I made for his family. Just ask for Mama (Karin) Kaze everybody knows me by that. And to his family I can't imagine the loss you are feeling. My sympathies and prayers go out to the family!!
