

Patricia "Patty" Super

October 11, 1949 - February 16, 2022

It is with great sadness that the Super Family has to announce the sudden passing of another one of their loved ones, Patricia "Patty" Super on Wednesday February 16, 2022. Patty passed away peacefully surrounded by her loved ones; family and friends were by her side. Patricia Super is the daughter of Emmett and Bessie Super. She was born October 11, 1949 in Yreka, California.

Patty grew up in Oakland, California but moved back to Yreka to be with her family. She worked for Goodwill for 24 years, up until her unexpected passing. Patty loved her cat "Peaches" and her two birds. She also had a love for horses. Patty was known for her silliness, flirting and her big beautiful smile. Patricia is survived by her siblings: Elberta Jerry, Judy Grant and Nellie (Calvin) Laffoon; and by many many nieces and nephews and other relatives. She also had many special friends, including her dear friends Kim Morales and Christine Linfoot. She will be greatly missed by many.

Patricia is preceded in death by her parents, Emmett (1991) and Bessie (1988); brothers Emmett Super Jr. (1932) Earl Super (1976) Eugene Super (2008) and Peter Super Sr. (2020); sisters Eleanor Super (1965) Regina Jerry (1966) and Millie Fielden (2002)

A viewing for Patricia will be held Wednesday, February 23, 2022 from 3:00 to 5:00 P.M. at Girdner Funeral Chapel in Yreka. Out of respects for Covid-19 guidelines, attendance inside Girdner's will be monitored and restricted if necessary. Family asks that masks be worn and limited touching is preferred.

Graveside services will be held at Indian Cemetery in Fort Jones (Fort Jones Cemetery) on Saturday, February 26, 2022 at 2:00 P.M. A "Celebration of Patricia's life potluck" will be held after the graveside service at the Karuk Tribe housing Authority Building Aspuun, Yreka. We will take precautions and respect the Covid-19 Guidelines. Masks must be worn and again limited touching is preferred. Social distancing is important and there will be enough room for doing so.

“ *The Indian Cemetery has a lot of family that Cousin Patty will be good company. Our Ancestors gave us a place too come rest in peace. Patty & I grew up in similar aspects that relate to be disabled; one way or another. Physical disabilities are much different than Emotionally disabled people who have been born. Struggling to make sense, and live in a society that Senate's disability. So, I wish her my love and for me too live a happy disabled life. Oh!*
