“ Paul Garrison was a lovely man. While he was the town constable he watched out for all of Fort Jones citizens. He was kind and thoughtful. I have always carried the fondest memories of him throughout my life. Rest In Peace dear man. My best to his family, Charmane, Paula and Shirley.

“ Paul just had a way about him that let you know he had your back but you also knew when he meant business. I'll never forget... "Kathy if you make one more U-turn in the middle of town I WILL give you a ticket!" Now I hesitate to make a U-turn anywhere.

My heart breaks for all of the Garrison family. Please know you are not alone in your grief.

Blessings.

“ I worked for Paul one summer. One day my dog showed up at work and I told Paul she needed a ride. He opened up the back door of the cop car and she jumped in. From that day forward all three of us rode in his car. What fond memories I have of that summer.

“ I am like many.. I don't remember a day growing up in Fort Jones that Paul wasn't there... From "scooting" us home when it was a bit late at night or even worse when we were up to mischief... he and my Dad did their best to keep us in line..
So very sorry for your loss... Marsha Miller
