

Paula Marie Dominguez

September 14, 1970 - September 6, 2021

50 year old Montague resident, Paula Marie Dominguez, passed away unexpectedly on Monday, September 6, 2021 at her home. Paula had lived in Siskiyou County for the past decade.

Paula was born September 14, 1970 in Indio, California to Earl and Marggie Williams. Paula married David Dominguez, and the couple moved to Siskiyou County in 2011. Paula was a constant volunteer for Purr-Angels in Yreka, and she loved knitting, quilting, and doing Diamond Painting (3D and 5D images). Paula was also a thrill seeker, who enjoyed riding dirt bikes and quads. She had a green thumb: she could grow or garden anything - flowers, house plants, vegetables, etc., and she had an ability to transplant most any variety of plant.

Paula is survived by her husband, David of Montague; her father, Earl; two children, Manuel and Zachary, both of Oregon; a step-son, Gregory of Indio; siblings Debbie, David, and Brenda; two grandchildren, and several great-nieces.

At Paula's request, no services are to be held, and she will be laid to rest in Coachella, California.
