

Randal Dean Titus

October 16, 1955 - June 9, 2018

62 year-old Etna resident, Randal Dean “Randy” Titus, came to the end of his journey on June 9, 2018.

Randy was born on October 16, 1955 to Melvin and Florene Titus in Eureka, California. In his youth, Randy enjoyed working on a dairy farm, where his favorite task was milking the cows. This is where his love of animals began, a love that lasted throughout his lifetime.

Randy had a passion for driving, and thus drove hay trucks for many years. In recent years, Randy took an interest in ornithology (study of birds). He enjoyed watching the various birds that would visit his feeders, and he tasked himself with properly identifying them all.

Randy loved life. He was always full of joy, regardless of his situation. He was gracious, and, like most folks, he enjoyed the beauty of Scott Valley, barbecues, and food.

Randy is preceded in death by his father, Melvin, and two brothers, Ronnie and Darrell. He is survived by his mother, Florene, sisters: Normajean Pasillas of Mt. Vernon, Washington and Wanda Titus of Ferndale, California; and many good friends who were his family – in particular, Clint Whitchurch, who was Randy’s best friend for years, and the Whitchurch family, of Etna and Fortuna.

No services are scheduled at this time for Randy.
