“ I am so sorry for your loss. He was a great doctor and guy. He was my first boss with the County when I worked for Public Health. He always had a smile and something nice to say whenever you saw him on the street or having coffee downtown. He will be missed by all.

“ Dr Bayuk was an icon in Yreka for all of his years there. I enjoyed many days and nights at the Bayuk household as a child and have many fond memories there. I will always remember him hitting golf balls into his pasture below, plus dinners with their family and many happy hours and days at their home. I will always be grateful for his treatment of my grandmother, who idolized him. Rest in peace, Dr. Bayuk

“ I was blessed to have had Dr. B as my Dr. and to have spent alot of time at the office when my Mom worked there. He was truly one of Yreka's finest men and I was also fortunate to be a welcomed kid at The Bayuk residence. My heart and prayers go out to The Bayuk Family. We will never forget all the great times and things provided by Dr. R.W. Bayuk and his family!!
