

Robert Bellairs

April 24, 1954 - December 30, 2023

Longtime Siskiyou County resident Robert Bellairs sadly passed away on December 30, 2023 at Vibra Rehabilitation Hospital in Redding. He had a long term battle with variant illnesses for the past three months. Bobby was 69 years old.

Bobby was born on April 24, 1954 in Pensacola, Florida to Richard J. and Helen M. (Graham) Bellairs. He is one of the graduating class of 1972 West High School. He studied Criminal Justice at Colorado Technical University. He served in the U.S. Navy for about 20 years, and was honorably discharged. He moved to Texas, and ended up meeting his wife Christine Eblen in 2004. With their children, they evacuated to Yreka, California from Hurricane Rita in Vidor, Texas in September, 2005. They decided to call Siskiyou County their home. Bobby worked for the Siskiyou Daily News, NorCal Products, O'Reillys Auto Parts, Motel 6, Swift Transportation, and Cedar Creek Apartments before retiring. Bobby was always the person who wanted to be around his family. He was an active grandfather, although he preferred to be called "papa". He said he finally had his baseball team.

“ Exactly 20 years to the day we first spoke....it's been a wild ride! Thank you for all the love and support, through good times and bad, no matter what...for helping to finish raise the kids, welcome 10 out of 12 grandkids into the world, for being the loving and doting Papa, the seemingly million diaper changes, runs to Dr's and hospitals, the Katrina Fund, Papa's Express, the countless BBQs, trips to the parks, Dr Bob moments, Law and Order nights, runaway date nights, 3am coffee dates in the din rm and more...you stepped up where others failed, you gave it your all, you fought the good fight with every ounce of your being....you are loved and missed, especially by these grands! So proud to call ourselves your family ...and yes, doing as promised, following your wishes, and missing your stuffed meatloaf...remembering every detail of our last conversation, the tears and the laughter...we're hanging in there and slowly moving on...the other day Baby barked and Kaison turned and told her," eh hh shut up you bum!" Made me Crack up! Thank you for all the special memories over 20 years...there's just so many of them...too many to list them all...you've left a huge impact!
With Love Always....
Your Wife,
Chris
