

## Robert "Bob" Walton

November 10, 1943 - March 20, 2020

Robert L. "Bob" Walton, 76 year old long time Siskiyou County resident, passed away on March 20th at home in Macdoel with his family at his side. Bob was born on Nov. 10, 1943 in Santa Ana to Russ and Marie Walton. The family moved to the Butte Valley area when he was about 3. Bob always loved the outdoors and sports, everything from fishing to hunting to baseball to horse shoes. He also loved horses! He grew up riding them and as an adult, became very involved in the chariot racing circuit and the flat track horse racing.

Bob worked for the U.S. Forest Service for over 30 years. He worked out of the main office in Yreka, the Oak Knoll District, the Scott River District and the Gooseneck District. He spent many years walking around the Klamath National Forest, designing the roads we all use today.

Bob had moved to Idaho a few years ago to enjoy the amazing fishing and hunting they have there and made many friends there. He had recently moved back home to be with his family as his health was failing.

Bob was an amazing father and grandfather! He is survived by his 2 daughters, Shonda Clark and Joyce Walton Buchanan, his son, Brett Walton and his grandchildren, Ricky Clark, Cian Walton Buchanan, Mason Walton Buchanan and Gaby Walton.

The family hopes to have a celebration of life in July. All will be invited!

“ *Bob was always my protector. We we're the same age so people thought we were twins. He was my brother from another mother. The many adventures we had their would not be enough room to tell them. All our growing up life with our young families and on.He will be in my heart forever. And we will be together again for eternity. Hallelujah family reunion.*
