

Robert Kent Ellis

June 8, 1945 - October 15, 2020

Robert Kent Ellis, 75 year old Fort Jones resident, passed away at his home on October 15, 2020 after a lengthy illness.

Bob was born on June 8, 1945 in Santa Monica to Emery and Sylvia Ellis. He grew up in Redondo Beach. After graduating from Aviation High School he worked as a newspaper linotype setter. He served as a radio repairman in the U.S. Army during the Vietnam War, and was stationed in Saigon. After his discharge from the Army, he returned to Redondo Beach, and started his own paint contracting business. In 1972 he became a fireman for the Redondo Beach Fire Department and always said "there is no better job than putting the wet stuff on the red stuff."

In 1974 he met and married Patricia McClellan and were best friends for 46 years. Their retirement dream was to move to a beautiful valley and have an alfalfa farm. That dream was realized 18 years ago when they moved to Fort Jones.

Bob felt there was nothing better than fishing, anywhere, anytime. He loved to have a rod and reel in his hands. He also enjoyed traveling, golf, antique clock repair, carpentry, farming and playing with his beloved animals.

Bob is survived by his wife, Pat Ellis. He was preceded in death by his father,

mother and sister, Gwendoline Hadden. Bob will be missed by all that knew him, but his memory will be with us forever.

No services are scheduled.
