“ I worked with Robert in Santa Barbara back in the late 1980s. His patients liked him very much, as did his coworkers. Robert was a good man, a caring individual, and I am saddened to hear of his sudden passing.

“ I met Robert at Remi Vista where I worked with him for three years. Robert was a light in the agency for Christ and so many employees were touched by his wisdom, patience, and kindness. Robert you made a huge impact for Christ in this world and I know we will meet again! Sending my love, thoughts, and prayers to the whole family!

“ Robert, I know you aren't "resting in peace". You are sharing your incredible, loving heart with all those who need your ever so kind words and support; you are sharing that infectious, booming laugh you have in all your heavenly contacts; finally your are solving all problems with your wisdom and intellect. Just like you did here. I know you are loving being in the court of Jesus Christ. I won't tell you to "rest in peace" because it wouldn't be you, but please be there as the rest of us join you. You are deeply missed. Mimi K
