“ Linda, I have such fond memories of you and Ron. He was a gentle giant who always had a smile ready. He was a kind man and I will remember him as part of the posse... and a truly good man. I hope you and the boys are doing alright.

“ My heart goes out to Linda and the entire McIntyre family ~ I knew Ron for several years but was only able to actually spend a limited amount of times visiting with him due to the distance between our homes but will always remember those times with great fondness. I always admired him for his talents, humor and his and Linda's hospitality...had some good laughs, and to this day I think of him every time I hear the song "Grandma got ran over by a reindeer" ~ for a long time I thought he wrote the song.;o) I am glad that I met him and pray his family will have strength and encouragement to get through the next few weeks and beyond. God bless all of you. Love

“ I had just spoke with my brother Ron a few days earlier. I have always looked up to and respected my older brother, such a calm manner about him that attracted people to him like bees to a flower, always a kind word to say and enjoyed the beauty of nature. He will be so missed by family! Rest in peace sweet brother. Love Rick
