“ So sorry to hear of your loss. I have many fond memories of Roy Lee and Lo in San Clemente. Lots of good times at my Uncle Vern and Aunt Sandy's house. Roy Lee worked at the gas station that was next to my Uncle and Aunt's Burger Palace (I worked there). Even in San Clemente the cowboy never left Roy Lee. All my love to you and your family. “ I recall with lots of wonderful memories when the Cash family first moved to Gazelle - eons ago. They were and are such wonderful family - always had an extra plate or plates at their table and a bed (sometimes of sorts) to spend the night. Roy Lee and his family comes from wonderful "stock" so to speak. My heart literally breaks for his family and friends. May god hold you in his hands - especially during this very trying and grieving time. Beth Russell Moody and Lee.

“ My thoughts and prayers are with Lo and all Roy Lee's family and friends. For many years Roy Lee and I hauled logs , hunted, and yup drank a little Whiskey together. My favorite memory was when Phyllis and I were invited to attend a Branding up at the ranch in Clear Creek Oregon where Curry was working. Roy Lee showed me how to brand cows and let me be a part of the roundup.. Through Thick and Thin Roy Lee was one of the best. Calm Winds and Following Seas my friend.
