“ I am saddened to learn of the family's loss of Sally. Sally and Will opened their home, hearts and love to me and had me live with them on their ranch in Montague for a summer when I was 16 yrs old. They taught me so many things. Sally was a good friend, teacher and cook. She helped me through some hard times with my family. She also cooked some great food. Both Sally and Will changed my life forever. They helped me to grow into a man and to absolutely love the outdoors and country setting and life. They were a true blessing from God. You will never be forgotten. Thank you Sally. Aaron Fieguth

“ Sally was a true good spirit, a helper. A good cook, a good friend. A happy face. She and Will liked to keep moving, walking our beautiful countrysides. Pat J.
