

## Sandra Pearl Hynd

April 17, 1942 - October 20, 2020

Longtime Yreka resident, Sandra Pearl Hynd, passed away on Tuesday, October 20, 2020 at the Madrone Hospice House. Sandra was 78 years old, and lived the last 42 years in Yreka.

Sandra was born to Robert and Vera Hynd on April 17, 1942 in Taft, California. She served in the United States Navy from May of 1962 until May of 1965, and she remained very proud of her service to her country. After her time in the Navy, she resided in Los Angeles. In 1978, her and a group of friends grew tired of the city, and made the move to Siskiyou County. A move they never regretted!

Sandra was a member of the Yreka United Methodist Church, where she sang in the choir for years. She was active in local book clubs and enjoyed reading all genres. She enjoyed the outdoors, as evidenced by her flower garden and love for hiking. Sandra was especially proud of the decades that she spent as a volunteer at Fairchild Medical Center. If there was anything that she didn't like, it was "those pesky deer!" that she always complained about as they ate her flowers or bedded down around her house.

Sandra was preceded in death by her parents and a sister, Myrna Thomas. She is survived by her nieces, Melanie Thomas and Dawn George; grand-niece Laura George, grand-nephew Michael George; a great-niece, Nora, and

many close friends.

Services for Sandra are pending, but will be held in the near future.

“ Sandy was a true humanitarian, lover of creatures great and small, loved the trees, mountains that surrounded her beautiful beautiful Siskiyou County. She loved her family, friends and country. I have nothing but gratitude for our 58 year friendship. She will be sorely missed.

I met Sandy when I joined the exercise group she attended. I wish I could have known her better. She was always upbeat and had a great sense of humor. She will be missed.
