“ I met Sheila, Phil, and my soon-to-be husband John when we all worked at Montgomery Ward 53 years ago. We all became really good friends. A year later I was bridesmaid at Sheila and Phil's wedding. 2 months after that Sheila was maid of honor at my wedding. She's been one of my best friends thru all these years. John and I we'll both miss you so much. Love you old friend.

I am happy you were able to come out for Thanksgiving and see my house. Very sad you couldn't hold on until we got there. I will always be sorry, we didn't make it in time. I hope you left this world knowing your daughters were ok and are trying our hardest to make sure the grandkids will be ok too. Love you mom RIP

“ *I have known Sheila and Phil for years even when their daughters were very little. Sheila has been a very good friend and I'm gonna miss her a lot. She was too young to leave else. We did a lot of camping and boating together. And now she has a great grandson who I hope he remembers her. I pray that her family can go forward with their lives*
