“ Aunt Shirley was a giving, kind woman with a HUGE heart who loved her family so very much. She did such beautiful crochet work and I'm so happy to have had this in common with her. You will be missed here on earth by your loving family and friends. God rest you and keep you forever. To John, Mom, Tony, Annett and the rest of the family...may God grant you peace each and every day and may your smiles soon outnumber the tears as you remember your dear wife, sister, mother, grandmother and great grandmother.
