

Steve Nash

December 28, 1953 - August 23, 2023

Steve Nash passed away on his ranch in Etna, California on the afternoon of August 23, 2023 after a valiant battle with cancer.

How do we pay tribute to the legend? He was something different to each of us. He could do anything: cowboy, cowman, horseman, husband, father and grandfather. Some of his lesser skills included fly fisherman, mechanic, horseshoer and fabricator of anything we wanted built, all of which he did better than most.

Steve is survived by his wife, Dusty, his children Kelli (Casey), Niki (Josh) and Joe (Kathleen), his eight grandchildren (Harli, Ellie, Shayna, Sydni, Creighton, Elsie, Sterling and Emmaleen), two sisters (Sarah and Katie) and two brothers (Chris and Tom).

Born on December 28, 1953, Steve spent most of his childhood in King City, California. After high school, he attended California Polytechnical University, San Luis and earned a bachelor's degree in Agricultural Business. Shortly thereafter, he and Dusty married and moved to Siskiyou County to begin his long career in ranching.

If you would like to make a contribution to the family, in lieu of flowers or monetary donations, please pay tribute the way Steve would have: do what you love, make your family a priority, work hard to earn what you have, value freedom and love God.

If you must put your money somewhere, please consider donating to Madrone Hospice, 255 Collier Circle, Yreka, CA 96097, who were a great support to the

Nash family in Steve's final months.

“ Dearest Dusty and family. We are saddened to hear that Steve has finished his journey this side of Heaven but encouraged that we will see him again someday soon. Steve's extraordinary journey this side of Heaven has touched so many lives in wonderful ways. May you treasure all the wonderful memories of horses and horse shows and cows and precious family times. We are fondly remembering the years on the horse show trail that we visited, cheered for our husbands, took care of our small kids and the horses and made great memories. We love you. God Bless and Keep you. Denny and Donna Jones and family.

“ I'm so sorry to hear of Steve's passing. I'm a neighbor. Steve would come across my property a couple of times a year to maintain his irrigation ditch. I got to know him over the last twenty years since moving to the banks of Kidder Creek. He always stopped to chat. He was thoughtful and kind. We shared many a tall tale and I always enjoyed our short visits. I will miss seeing him on his backhoe or giant excavator. My deepest condolences to his family.
