

Steven Edward Franklin

May 28, 1946 - May 31, 2017

71 year old Happy Camp resident, Steven Edward Franklin passed away suddenly and unexpectedly on Wednesday, May 31, 2017 at Fairchild Medical Center in Yreka.

Steven was born on May 28, 1946 in Orange, California to Earl and Charlene Luminais. He grew up in Santa Ana, and later lived in Tooele, Utah. He was a member of the New 49ers Prospecting Club, and he spent over 20 years as a professional miner: this included a lot of time dredging, and even underground mining.

On January 25, 2001, Steven married Brenda Barron, and the couple shared a life together. They loved the outdoors, and Steven always felt closest to God while sitting in the mountains. He enjoyed star gazing, fishing, gun-smithing, and trips to Brookings, Oregon. He and Brenda always dreamed of RVing around the country.

Steven's greatest passion was his family: there was nothing he enjoyed more than spending time with his wife, his children, grandchildren, and great grandchildren.

Steven is survived by his wife, Brenda of Happy Camp; a son, Justin of Tooele, Utah; step-children, Eric (Mischelle) Bohlen of Australia, Nathan

(Tami) Prince of Cameron Park, CA, and Gary (Sarah) Prince of North Bend, Oregon; six grandchildren and two great grandchildren.

A memorial service will be held for Steven on Saturday, June 10 at 11:00 a.m. at the Happy Camp Grange, with a potluck to follow.
