“ Sue will forever and always be my sister-in-law. Love her so very much. So happy and thankful for our visit in December. God gained quite the angel.

God most certainly did. She was a true friend and I will miss her greatly. I enjoyed when she came to help me and the laughter we shared. Beautiful inside and out. I love you Sue and hope yo see you again in the eternities.

My sweet mother-in-love spoke so highly of you, Glenda. We miss her everyday. We were so looking forward to her coming to live with us. God had a different plan. We sure love and miss her so very much.
