

Susan L. Sieber

May 20, 1948 - December 4, 2011

Susan passed away on Sunday, Dec. 4, 2011 after her long and horrific battle with dementia/ Alzheimer's.

She was born on May 20, 1948 to Henry and Hedwig Hook in Newark, N. J. Shortly thereafter her family moved to Southern California, where she graduated from Bolsa Grande High School. She then moved to Newport Beach, where she met her future husband Tom Sieber. She and her son John moved to Sonoma County in 1973. In 1974 she and John moved to Yreka, where she and Tom were married on July 27, 1974. After working as a teacher's aide at Gold Street Elementary School for a number of years, she became a travel agent for Tri-Travel. This is where she discovered her passion for travel. For the next 25 years she sent many customers to wonderful places around the world. She herself also traveled around the world, discovering many new places and loving them all. She also started her own travel agency, Where to Next Travel, until her disease forced her to discontinue. She passed away at Madrone Hospice very peacefully.

Susan is survived by her husband Tom Sieber of Yreka; her son John Sieber and his wife Tiffany of El Dorado Hills; and her brothers Bill Hook and Bob Hook and his wife Sue of Boise, Idaho. She leaves her stepdaughter Kelly Brewer and her granddaughter Alyson of San Diego; her four nephews Craig, Aron, Jason and Bill and their families; her beloved brother and sister-in-law Harry and Claudia Sieber of Baltimore; her brother-in-law Jon Sieber of Ashland; and her mother-in-law Marilyn Sieber of Yreka. She also leaves her

very dear and best friend Bonnie Eddy and her husband Pete of Edgewood. She will be very much missed by her many friends here in Yreka. She would want any gifts of love to be given to Madrone Hospice and/or The Alzheimer's Association. There will be a memorial service and reception at a later date.
