“ To the family of Tammi,She cut my hair for years at Quik Kuts. I always waited for her to be available because not only was she talented at her job she was friendly,charming,outgoing and very good looking. I ran into her just a couple of weeks ago in town and we chatted about life and what we had been up to, including some medical issues we were dealing with. I certainly am shocked and saddened by her passing. Please know that others share your sorrow and loss.
