

Tracy Raeleen McKinney

November 11, 1975 - January 17, 2023

Tracy Raeleen McKinney was born on November 11, 1975 in Yreka. Tracy peacefully left during her sleep on January 17, 2023. She was a daughter, sister, wife, mother and grandmother. Tracy enjoyed camping, taking trips, shopping, having her nails done, spending time with her boys but most of all her loving husband Jim. Tracy's life was cut short due to the years of illness. Never did she show weakness to the sickness that tried to hold her back. She always wanted to go places even if it was for only 10 minutes.

Tracy grew up in Montague with her grandparents, aunts and many cousins. She attended Montague Elementary and Yreka High Schools. In 1997 Tracy met Jim at baseball practice and was later formally introduced to him, and they arranged a dinner date at Casa Ramos. That was not the only dinner they shared. Tracy made a second dinner consisting of Mac N Cheese and Hot Dogs for Jim, not knowing he had the joy of eating this very meal for six months at one point during his childhood. This meal was not his favorite with or without condiments. He shared his experience with this meal and had to decline. After that Jim became the chef of the relationship. They would spend the next 26 years together, loving each other and raising their two boys. Aaron and Anthony brought much joy to Tracy's life along with a little pain occasionally, but what kids don't? She enjoyed being around family and friends. Tracy's best friends were her dogs.

The presence of Tracy will be missed by all that knew her. In her own ways she always brought laughter and happiness to those she was with. She would

say some of the funniest things and just being with her brought joy to all. Tracy leaves behind her husband, James McKinney; two sons, Aaron (Jamie) McKinney and Anthony (Ayanna) McKinney; grandsons Luke, Mason and Asher; her mother Debbie Cook; her brother Jake; her sister, Tia; and many nieces, nephews and cousins. She will be missed by all. Tracy will be buried with her grandparents and aunt in Yreka.

“ I'm so sorry for your loss. I was friends with Tracy in school. She was always reliable to be a friend with a smile or happy greetings when she would see you. She had a great spirit . It was shocking to hear the news. My prayers of comfort are with you.

“ There was many years of love and support given by Tracy she gave the world two great boys but treated me as if she had three. There was always a smile brought by her words. Words of a mother that always made me feel at home. She made a place in her life to treat me as her own and that's why I will always love her as a mother.
